## **REC BOARD CORNER**

Lawn or small hand tools need to be signed out and returned with our maintenance person Jesse, during his work hours of 8:00am and 12:00 noon Monday-Friday

NHRB wants to thank all the residents for their patients during the past months of this year. It has been a challenging time to get the Club House finished, reopened, and resupplied with the contents that you would like to have in the facility. We are working with the Social Club to identify and purchase the items that our owners would like to have, and hopefully, soon, we'll have many of them to accommodate the activities that many of you enjoy doing. The NHRA Board welcomes your concerns and comments in a constructive manner.
